# Features & Benefits

Designed to aid in the removal of many pessaries, the firm grip and flexibility allows patients to safely and easily remove their own pessaries. The high-quality plastic is not cold, unlike metal removers, greatly increasing patient comfort.

## 031315 Pessary Remover

The MedGyn Pessary Remover can be used with the following Pessary styles:

1. Ring

2. Ring with knob

3. Oval

4. Dish

5. Hodge

6. Marland

7. Shaatz

8. Cup

9. Donut
